

JARRETT J. DOMINIC

1116 W Peninsular St, Tampa, FL, 33603 · 813-368-2726
jarrettdominic@gmail.com

Creative and detail-oriented team player with a flair for visual storytelling and strategic thinking, honed through diverse experiences in work, sports, and volunteer projects. Passionate about creating engaging designs and impactful marketing campaigns, blending strong technical skills in programming, Web UX, and graphic design with an understanding of consumer psychology and brand communication. Extensive cross-cultural exposure has cultivated exceptional interpersonal and communication abilities, making me adept at collaborating with diverse teams and contributing to innovative solutions. Eager to leverage these skills in a forward-thinking organization that values creativity and collaboration.
